Argyle N8027 Staff Impression

Argyle is an impressive, intelligent, and caring guy. Standing at a solid 6'0" with a large, athletic build, he has broad shoulders and a sturdy frame shaped by years of sports and outdoor adventures. He has striking blue eyes that contrast beautifully with his reddish-brown beard. His cool-toned fair skin has a healthy glow. His features are classically handsome, with symmetrical facial features, a straight nose, and a warm, genuine smile.

Argyle values family, kindness, and staying active, and he is thoughtful and deeply compassionate. He holds a B.A. in Spanish and linguistics and advanced degrees in speech-language pathology and educational leadership, where he completed scientific research with honors at every level. He enjoys engaging in activities that require both physical discipline and creative thought, such as weightlifting and exploring his rich Irish and Scottish heritage. Argyle values family history and personal growth, looking for the good in others and living with purpose. Creative and handy, he enjoys DIY projects and pottery, and he’s quick to learn new skills. His ultimate goal is a peaceful, self-sustaining hobby-farm life where he grows his own food and stays close to nature.
