

Andy Staff Impression

Andy is very handsome. He is almost 6' tall with medium, athletic build. He has a clear medium skin tone that get darker when exposed to the sun. He has thick, straight medium brown hair that looks lighter in the sun (he was blonde as a child). Lex has beautiful almond shape green/brown eyes, even with glasses his eyes sparkle. Andy has thin lips and roman nose. He keeps a well-maintained, short beard and has a great smile that show off his straight teeth and dimples.

Andy currently works at a research facility that focuses on human/wildlife interactions. He enjoys teaching and hopes to someday be a tenured professor. Andy grew up in a blended family and he loves them dearly. He grew up understanding the value of being a hard worker and kind person. Andy is a happy, outgoing person and enjoys socializing. During his free time, he enjoys training Jiu Jitsu, rock climbing or any activity that challenges him physically and mentally.
