

Rhett has a head of thick, dark hair; and though he keeps a full beard, underneath his facial hair he has an attractive, masculine, face with a square jawline. He is slim and fair skinned with full brows and dark eyelashes that frame beautiful, garnet hued eyes.

Rhett is friendly though soft spoken. He is humble and genuine, preferring action to words. He has a love of academics and learning and wants to leave his legacy by educating people in the sciences.
