

Open Donor: Dean

Staff Impression

Dean has a long, lean build he maintains by playing sports regularly. He is athletic and enjoys playing any sport presented to him including baseball and basketball. Dean has straight brown hair that he keeps cut short and casual. Anytime he comes in, Dean has a large smile and is always eager to tell us what is going on in his life and make everyone laugh.

Dean is studying Kinesiology, and hopes to someday begin a career in Physical Therapy, or even become a Physician's Assistant. He has studied very hard and has made the Dean's List which he is very proud of. Dean is a very laid back, funny, caring and kind young man. He shows genuine interest in others, and will go out of his way to help anyone. Dean has been a joy to have in the program.
