

Henderson has a medium skin tone with the brightest blue eyes. He sports curly blond locks of hair and the most welcoming smile. He is incredibly attentive and makes the person in front of him feel most appreciated. Any conversation with Henderson can leave an individual feeling lifted.

Henderson stands tall at 6'3" and has a lean physique. He enjoys keeping fit, with volleyball being his sport of choice. He is a talented musician, playing both bass guitar and the keyboard. More impressively, he enjoys composing music, and writing both songs and poetry. Henderson is passionate about the Earth and the environment. He is studying biology currently and hopes to work in the field collecting data and studying efforts to improve the status of the environment. Henderson is one of the kindest individuals we have in the program, and is an exceptional choice as a donor!
