

### **Stone (12684) Staff Impression**

Stone has a kind, oval face with deep blue-green eyes, a shapely nose with a high bridge and pointed tip, and a smile with medium-full lips. He is slim with slender, graceful limbs.

Stone is a talented professional musician and a freelance web developer with a creative and cheerful personality. He has toured internationally playing guitar, bass, keyboards, drums, cello with various musical artists. He produces music for himself and other artists when he is not busy traveling and performing. He is exceptionally hard-working, creative, and caring. He is a great option for those looking for an artistic and kind-hearted donor.
