

### Baker Staff Impression

Baker has a rectangular face with high cheekbones, a broad smile, and a pointed nose with a high, narrow, bridge. His angular features are proportionate and attractive. His complexion is smooth and flawless with a medium-tan skin tone. He is slender and lives an active, healthy, lifestyle that includes playing numerous sports.

Baker has an inviting personality and enjoys discussing art and whatever book he is currently reading. He is a cultured and well-educated purveyor of the arts. He is passionate about Shakespearean literature, spending much of his time studying the classics. He is working towards his doctorate so that he can teach at a University. He is currently working on writing a novel that we are sure will be a great read!
