

Jules 12853 Staff Impression

Jules is a tall, handsome, and athletic donor. He has a long lean build from the intense training and fitness routine he participated in as a competitive rower on a collegiate team. He has a clear medium complexion and beautiful large green eyes. Jules wears his straight sandy blond hair in a shaggy cut that frames his oval face. He has well-proportioned facial features and a kind smile with full lips and straight white teeth.

Jules received his degree in government and plans to stay fully engaged in politics while pursuing a career in athletics. He spends his time reading political theory, philosophy, psychology, and critical theory. He loves music and prides himself on his ever-growing record collection. Jules has a very close relationship with his family and he is grateful for the nightly family dinners he has enjoyed with them.
