

Gianni 10877 Staff Impression

Gianni stands at 5'10" and he wears his brown hair perfectly parted to the side. His almond-shaped dark brown eyes, framed by full eyebrows and stylish glasses, have a sparkle that you cannot turn away from. His straight teeth flash with every grin, especially when his left cheek dimple shows up. And with his sharp, thin Greek nose, he's got a mix of sophistication and manliness!

Gianni is a Business Administration student by day and a retail manager by... well, also by day! When he's not balancing budgets, he is busy teaching himself to play the piano like a pro (seriously, he's impressive). In his spare time, you'll find him elbow-deep in car engines, fixing up rides with a smile. His big dream? Growing his property empire. Oh, and did we mention he's a social butterfly? Whether it's tuning a piano or turning heads at a dinner party, Gianni's always on the move!
