

**Manu 14114 Staff Impression**

We are very happy to have Manu in our donor program. He stands at 6ft tall with a lean build, and he is as smart as he is handsome. He has mesmerizing, soulful brown eyes that compliment his thick dark brown hair. He has a clear complexion and an olive skin tone. Manu has full, pink lips and even though he has a logical and pragmatic personality, he has a genuinely happy and charming smile.

Manu is currently pursuing a BS in Bioengineering and has set his sights on a career working on medical devices. He hopes for a lucrative career in the field that will afford him the ability to help his parents retire and live comfortably as a token of appreciation for all the support they have provided him. Manu is a pleasant mix of intelligence, compassion, optimism, and ambition.
