Polotsk 18283 Staff Impression

Polotsk stands at 6'3" with a tall, muscular build and broad shoulders that give him a strong look. His rectangular face is classically handsome with high cheekbones and a strong jawline. His bright blue eyes strikingly contrast with his dark hair and eyebrows. His medium-sized nose it attractive with a straight bridge and refined tip. His lips are full, and they reveal straight, white teeth when he smiles. His fair skin has a healthy glow that is even and fresh with warm undertones.

With a B.S. and M.D. in the medical field, Polotsk brings together the razor-sharp precision of a trained medical professional with the inventive eye of a digital creator and the practical, hands-on skill of a mechanic, an impressive combination that sets him apart! He excels at 3D modeling, animation, VFX, videography, and 3D printing, while enjoying surfing, hiking, swimming, singing, and exploring new cultures, activities that reflect his love for both adrenaline and creative expression.

Calm, kind, responsible, grounded, and easy-going, and altruistic, he dreams of opening his own gallery and a free school to help people learn and grow without barriers. Polotsk is a well-rounded individual who stands out in the best way!
